

Reply from RAF Signals Museum to Amsterdam.

Hello Bram - via the RAF Signals Museum

The Tempsford Veterans and Relatives Association sends friendly greetings to the last MI6 Secret Agent - Dutch section – we salute your courage .

The work which the Tempsford Crews and the Resistance movements in occupied Europe did together was a shining example of cooperation and friendship, and we remember together those who paid the ultimate price to win freedom. As we remember them, we should bear in mind the words of a May 4 ceremony some years ago – Vrijheid is niet te koop – Freedom is not for sale!

With our best wishes
